

# Anaesthetic Trolley

## Description

The AC range of anaesthesia trolleys are purpose built for anaesthetic rooms and operating theatres. Constructed from robust impact resistant polymer, it combines secure drug storage with intuitive organisation and smooth manoeuvrability. Available in three heights with a choice of digital or breakaway lock, trolleys come complete with accessory tower, drawer dividers, pull out work surface and waste bin as standard.

## Features

- ★ Integrated handle for ease of handling
- ★ Large work area with slide out work surface as standard
- ★ Choice of Breakaway Lock, Digital Lock, or Key Lock
- ★ Smooth opening drawers with soft close
- ★ Easy roll 125mm castors
- ★ Robust panels to minimise dents and scratches
- ★ All drawers can have length and width dividers
